Dear Judge Kimball:

As the enclosed letter shows, the Judges Compensation and Retirement Services Office recently responded to a request for information relating to your Oath of Office. Our policy is not to release copies of the oath document, but instead to send the requester a letter confirming that a judge took the oath, the date the oath was taken, and the court to which the judge was appointed.

This policy, which has been endorsed by the Judicial Conference Committee on the Judicial Branch, will ensure that personal information about judges is not disclosed in response to oath requests. If you have any questions concerning my response to this particular request, or about the policy in general, please call me at (202) 502-1880.

Sincerely,
